DEMO ZONES – MACHINERY IN ACTION!

Machinery needs to be seen. Tested. Experienced in action. RĀMAVA's extensive outdoor exhibition grounds provide the perfect environment to demonstrate your machinery and equipment, let potential customers test it firsthand, and showcase the advantages of your products and services

Engage visitors and create memorable experiences

Live machinery and equipment demonstrations

Test drives and hands-on trials

Showcase the advantages of your technologies

Create engaging content for social media and presentations

CHOOSE THE PARTICIPATION FORMAT THAT SUITS YOUR BUSINESS

INDOOR EXHIBITION STANDS

Stands inside the hall, available in various sizes, with or without stand construction

OUTDOOR EXHIBITION AREAS

Outdoor spaces of various sizes, layouts and surface types to suit your exhibition needs

DEMO AREAS

Dedicated areas for live demonstrations of machinery, commercial vehicles, equipment and tools

PARTNERSHIPS & SPONSORSHIP

Increase your brand visibility through partnership opportunities and promotional activities
