Get valuable knowledge and new ideas for development and growth

We invite you to visit the business exhibition "PAVASARIS 2025," which will take place from April 3-5, at the Business Center "RĀMAVA" (near Riga city center, Latvia). Spanning several hectares indoors and outdoors, the exhibition will bring together professionals from the fields of crop and livestock farming, horticulture, gardening, construction, infrastructure development.

Topicalities in one place in the exhibition – discover, choose, and get inspired together with others:

- Find information about 250+ exhibition participants here – www.ramava.lv/exhibitions/participants-list/
- Explore machinery, transport, and equipment for various needs, technologies and services for more productive and efficient work, solutions for improving energy efficiency, exchange experience, expand knowledge, and much more.
- Discover educational and further training opportunities at industry education institution stands.
- Check out exhibition participants now – in the **digital exhibition map** and the **electronic e-catalog**. Easily and quickly find your desired stand and additional information about the exhibitors!
- Learn more about what to see and do at the exhibition here – www.ramava.lv/exhibitions
- At the Ministry of Agriculture's joint stand, meet experts from seven institutions.
- **New!** Tractor model review (comparison) in the 120 HP universal class – in a dedicated zone, compare tractors from five brands – CASE, CLAAS, KIOTI, KUBOTA, and LINDNER. More information on the website.
- **New!** Ukrainian companies' joint stand – learn about collaboration opportunities.
- Enjoy great additional activities at the exhibition: ♦ Plant and farm produce fair ♦ Mini-exhibition of breed rabbits ♦ Mini-exhibition of breed birds ♦ Mini-exhibition of sheep ♦ "Upside-Down House" ♦ Interactive stamp collection activity

LAUKSAIMNIECĪBAS FORUMS 2025 – gain valuable insights in presentations and discussions:

- A conference-forum will be held as part of the exhibition "PAVASARIS 2025", the motto of which this year is **"How to Plan in Changing Conditions: Experience and Opportunities"**. Learn about industry news, development trends and forecasts, expand your knowledge, meet industry experts and ask questions. This year the program of the forum is particularly powerful – topical issues in the industry will be discussed by the representatives from the Ministry of Agriculture, Rural Support Service (LAD), State Plant Protection Service (VAAD), Latvian Rural Consultation and Education Center (LLKC), Association Zemnieku Saeima (ZSA), and other well-known industry professionals from various governmental and non-governmental organizations.
- Forum is held in Latvian. The forum will take place all three days, in the Seminar room. Please see the forum program here – www.ramava.lv/exhibitions/agriculture-forum/
