# PAVASARIS

APRIL 4-6

2024

MACHINERY | TECHNOLOGIES | SERVICES | FORUM

## Get valuable knowledge and new ideas for development and growth

We invite you to visit the exhibition *PAVASARIS 2024*, which will take place for three days - from April 4 to 6, in the Business centre RĀMAVA, Latvia.

At a time when the agriculture industry is facing challenges, resource costs continue to rise, requirements to be met are becoming more stringent, when finding employees can be a challenge, it is essential to invest every euro wisely. In order to be able to manage and develop successfully, it is important to consider options for automating various processes, how to use resources more efficiently, how to work smarter, not more. Exactly these questions will be emphasized at the upcoming business exhibition *PAVASARIS 2024*.

### Topicalities in one place – find out and choose:

- **Information about the participants of the exhibition see here - [www.ramava.lv/exhibitions/participants-list/](http://www.ramava.lv/exhibitions/participants-list/)**
- At the exhibition, meet more than 250 participants, including from other countries, who will present various technologies, equipment and services for more productive work and business management.
- Consult with experts in the field of crop cultivation, animal husbandry, horticulture, construction and infrastructure improvement and generate new ideas for the development of your business.
- Choose building and energy efficiency improvement solutions.
- Find out about education and further education opportunities at the stands of educational institutions.
- Consult and discuss with representatives of industry institutions - LAD, VAAD, LLKC, VTUA, etc.
- Learn about financing and insurance options.
- Meet other industry participants face to face, exchange experiences and generate new ideas for your business growth.
- Get inspiration for the season and enjoy various additional activities - visit an international tree-felling competition, demonstrations of arborist skills, rabbit, cattle and sheep mini-exhibitions, a seedlings and home-made goods market.

### AGRICULTURE FORUM 2024 – gain valuable insights in presentations and discussions:

- A conference-forum will be held as part of the exhibition *PAVASARIS 2024*, the motto of which this year is "**Development and growth opportunities in the agriculture industry**". Learn about industry news, development trends and forecasts, expand your knowledge, meet industry experts and ask questions. This year the program of the forum is particularly powerful - topical issues in the industry will be discussed by the representatives from the Ministry of Agriculture, Rural Support Service (LAD), State Plant Protection Service (VAAD), Latvian Rural Consultation and Education Center (LLKC), Association Zemnieku Saeima (ZSA), the Latvian Beef Cattle Breeders' Association (LGLA), the Latvian Poultry Industry Association (LAPNA) and other well-known industry professionals from various governmental and non-governmental organizations.
- The forum will take place all three days, in the hall, in part B (the stage), and on Thursday also in the Seminar room. Please see the forum program here - [www.ramava.lv/exhibitions/agriculture-forum/](http://www.ramava.lv/exhibitions/agriculture-forum/)
